The South Central Scholars Alumni Association

Asks for your support for the

“Middle School Outreach Strategy for College Readiness & Beyond”

The program's purpose is to outreach to 100-235 students in their 8th grade as of the 2010-2011 school year. This program will consist of a nine-month college awareness and preparation campaign that will focus on such topics as understanding the benefits of college, understanding the requirements to attend college, creating a four-year plan for high school, funding college, and the college application process.

This program will target 10 middle schools located in the Los Angeles Unified School District that are currently "feeders" to high schools that South Central Scholars works with.
